I&D Certification Application

If selected the aptitude test will be held at: **So. Nevada Teamsters 631 Training Center, 4490 Nexus Way, Building 2, Suite 102, North Las Vegas, NV 89115 (702) 651-0344**

This test will consist of the following stations: (1) MIS / GEM / Octanorm (2) Hard Wall (3) Panel Display (4) Pop Ups. If you are unfamiliar with these types of displays you will likely be unable to progress through the aptitude test. The Evaluators will be judging based **on appearance, aptitude, attitude, general work ethic and knowledge**. All participants are required to have the contractual convention industry tools. See list on the website. This is an opportunity to show the Evaluators that you are ready to take the next step in the evolution of your involvement in the Convention Industry. Take this opportunity seriously and put your best effort forward. In testing, you will be held to building timelines and failure to complete tasks within said timelines could result in your removal from the program.
